Sofi Bel

FRONTEND DEVELOPER (REACT.JS / TYPESCRIPT)

Frontend developer with over 3 years of experience in web development. My responsibilities include creating, supporting, and testing websites, as well as developing user interfaces with a focus on cross-browser and mobile compatibility (mobile-first approach).

I possess skills in HTML, Pug, CSS, SASS/SCSS, JavaScript (ES6+), TypeScript, React, React-Router, React Hooks, Redux and Apollo GraphQL. My unique advantage lies in my continuous pursuit of learning and improvement. Additionally, I am proactive and adept at planning my own activities to achieve maximum results.
